AUTISM & ADHD SUPPORT

We are an experience-led charity that aims to make the world a better place for autistic children and children with ADHD, so they can meet their maximum potential in life. We provide individualised, professional expertise and advice to parents/carers of children aged 0-25 with Autism and ADHD; or who are on a pathway to a diagnosis.

We work alongside parents to build understanding and to empower them to hear their child's voice.

We offer:

- Weekly online and in person support groups and workshops on a variety of topics
- 1-2-1 personalised support
- A closed moderated Facebook group for parents/carers
